

## FCSK RABBIT PAB

**Cat.#:** S219448

**Product Name:** Anti-FCSK Rabbit Polyclonal Antibody

**Synonyms:** FUK; I110046B12Rik

**UNIPROT ID:** Q8NOW3 (Gene Accession - BC032542 )

**Background:** The protein encoded by this gene belongs to the GHMP (galacto-, homoserine, mevalonate and phosphomevalonate) kinase family and catalyzes the phosphorylation of L-fucose to form beta-L-fucose 1-phosphate. This enzyme catalyzes the first step in the utilization of free L-fucose in glycoprotein and glycolipid synthesis. L-fucose may be important in mediating a number of cell-cell interactions such as blood group antigen recognition, inflammation, and metastasis. While several transcript variants may exist for this gene, the full-length nature of only one has been described to date. [provided by RefSeq, Jul 2008]

**Immunogen:** Fusion protein of human FCSK

**Applications:** ELISA, IHC

**Recommended Dilutions:** IHC: 150-300; ELISA: 5000-10000

**Host Species:** Rabbit

**Clonality:** Rabbit Polyclonal

**Isotype:** Immunogen-specific rabbit IgG

**Purification:** Antigen affinity purification

**Species Reactivity:** Human, Mouse

**Constituents:** PBS (without Mg<sup>2+</sup> and Ca<sup>2+</sup>), pH 7.4, 150 mM NaCl, 0.05% Sodium Azide and 40% glycerol

**Research Areas:** Signal Transduction

**Storage & Shipping:** Store at -20°C. Avoid repeated freezing and thawing

Immunohistochemistry analysis of paraffin-embedded Human colorectal cancer tissue using 219448(FCSK Antibody) at a dilution of 1/140(Cytoplasm).

In comparison with the IHC on the left, the same paraffin-embedded Human colorectal cancer tissue is first treated with the fusion protein and then with 219448(Anti-FCSK Antibody) at dilution 1/140.

The image on the left is immunohistochemistry of paraffin-embedded Human tonsil tissue using 219448(Anti-FCSK Antibody) at a dilution of 1/140.

In comparison with the IHC on the left, the same paraffin-embedded Human tonsil tissue is first treated with fusion protein and then with D227113(Anti-FCSK Antibody) at dilution 1/140.
