

KCNB1 RABBIT PAB

Cat.#: S220513

Product Name: Anti-KCNB1 Rabbit Polyclonal Antibody

Synonyms: DRK1; KV2.1; h-DRK1

UNIPROT ID: Q14721 (Gene Accession - NP_004966)

Background: Voltage-gated potassium (Kv) channels represent the most complex class of voltage-gated ion channels from both functional and structural standpoints. Their diverse functions include regulating neurotransmitter release, heart rate, insulin secretion, neuronal excitability, epithelial electrolyte transport, smooth muscle contraction, and cell volume. Four sequence-related potassium channel genes - shaker, shaw, shab, and shal - have been identified in Drosophila, and each has been shown to have human homolog(s). This gene encodes a member of the potassium channel, voltage-gated, shab-related subfamily. This member is a delayed rectifier potassium channel and its activity is modulated by some other family members.

Immunogen: Synthetic peptide of human KCNB1

Applications: ELISA, IHC

Recommended Dilutions: IHC: 25-100; ELISA: 1000-2000

Host Species: Rabbit

Clonality: Rabbit Polyclonal

Isotype: Immunogen-specific rabbit IgG

Purification: Antigen affinity purification

Species Reactivity: Human, Mouse

Constituents: PBS (without Mg²⁺ and Ca²⁺), pH 7.4, 150 mM NaCl, 0.05% Sodium Azide and 40% glycerol

Research Areas: Neuroscience

Storage & Shipping: Store at -20°C. Avoid repeated freezing and thawing

Immunohistochemistry analysis of paraffin embedded Human thyroid cancer tissue using 220513(KCNB1 Antibody) at a dilution of 1/30(Cytoplasm).

In comparison with the IHC on the left, the same paraffin-embedded Human thyroid cancer tissue is first treated with the synthetic peptide and then with 220513(Anti-KCNB1 Antibody) at dilution 1/30.

The image on the left is immunohistochemistry of paraffin-embedded Human liver cancer tissue using 220513(Anti-KCNB1 Antibody) at a dilution of 1/30.

In comparison with the IHC on the left, the same paraffin-embedded Human liver cancer tissue is first treated with synthetic peptide and then with D261634(Anti-KCNB1 Antibody) at dilution 1/30.
